Operation Round Up[®]

A different, but convenient, way to give

LYREC is offering its members a great way to help worthwhile non-profit organizations in its area. The program is called Operation Round Up[®], and everyone can participate!

We make it easy

The way it works is simple. LYREC "rounds up" your electric bill to the next whole dollar amount, and the extra change will be placed in a fund. For example, if your monthly bill is \$62.70, it will be rounded up to \$63.00 and a \$.30 will go into the fund.

The average amount a member will pay is \$.50 a month or \$6.00 a year. It may seem hard to believe that donating just pennies a month would be enough to help anyone, but if each co-op member becomes a participant, these pennies will add up to thousands of dollars.

Help those in your community

The funds will stay in LYREC's service area, so you know exactly where your donation will be going. The donations are used solely for charitable, educational, scientific, health or safety purposes.

The Operation Round Up board of directors meet quarterly to decide how the funds are distributed. The committee is a diverse group of members from communities throughout the area that LYREC serves. The recipients of your Operation Round Up donations are published in the Rural Montana and North Dakota Living Magazines.

A copy of LYREC bylaws and articles of incorporation are available upon request or at www.lyrec.com.
